VDR-1 Reader Information *Coaxial light (3M laminate)*

The screenshot displays the VDR-1 reader interface. The main window shows a document with a repeating pattern of circular logos and the word 'CONFIRM'. A small white dot is visible on the document. To the right, there is a smaller inset image of the same document. Below the main image, there are four small thumbnail images: the first shows a close-up of the document, the second shows a document with text, the third shows a document with a purple background, and the fourth is a blank white box. To the right of the main image, there is a form titled 'OCR-B data' with the following fields:

OCR-B data
Passport Number:
